**3. Description of Proposed Standard or Enhancement:**

Panhandle Eastern Pipeline Company and Trunkline Gas Company support the Texas Eastern Transmission Corporation request for a ***Storage Balance Download*** transaction set and its corresponding request transaction set ***Request for Storage Balance Download*** and request the addition of data elements to the ***Storage Balance Download***.

**4. Use of Proposed Standard or Enhancement (include how the standard will be used, documentation on the description of the proposed standard, any existing documentation of the proposed standard, and required communication protocols):**

The addition of these data elements to the EDI transaction set is required so that users of the Panhandle and Trunkline Internet Web site will have access to the same information as users of EDI transactions. Panhandle and Trunkline are in the process of creating their interactive Web site and request that this be processed as expeditiously as possible in order to facilitate electronic commerce via the Internet. These data elements, although requested by Panhandle and Trunkline, could be applicable across the pipeline segment.
